On 05 Sep 13 at approximately 1315 hrs. a known suspect assaulted Correctional officer W. J. Barbee #14444. At 1430 hrs. Dep A.P. Rasmacker / S-384 (R10) responded to take the report. Upon arrival R10 met with Barbee to gather the facts.

Barbee explained that he was in courtroom #50 with the suspect for an arraignment / Bond-setting. The suspect became agitated with the bond amount, knocked over the podium and began to move forward. Judge Lunnigan ordered the suspect to be removed from the courtroom. Barbee was part of the escort-team.

As the suspect was escorted back to her room, she became more agitated, complaining of not being fed and that, "They ain't got shit on me!" Barbee stated, "Calm down and we'll address any issues when it's appropriate." The suspect became even more agitated, yelling, "Calm down? Calm down?" Saliva was spraying as she yelled. The suspect looked down and kicked Barbee in his right shin with her left heel. Barbee used his body weight to push her against the wall to restrain her. The suspect then head-butted Barbee, striking him on the rear, right side of his head. Both strikes caused pain.

See Supplemental Report for suspect detail.

On THU 29AUG13 at 2240 R/D M. Jones S378 spoke with Sgt. W. STENNECHE #3368, who is a Sergeant at Douglas County Corrections, via telephone regarding an assault that occurred at Douglas County Corrections. STENNECHE stated that on the listed date and time a known person assaulted Jermaine STEWART while both parties were confined at Douglas County Corrections. STENNECHE stated that STEWART was talking to the known person in the open admissions area where detainees sit after being booked in. STENNECHE stated that at one point STEWART turned his back to the known person and the known person took a swing at STEWART and then put STEWART in a headlock. STENNECHE stated that both STEWART and the known person then fell to the ground where they were separated by Douglas County Corrections staff. STENNECHE stated that STEWART complained of pain, but was cleared by medical staff and that he had no visible injuries from the assault. CSI was not requested due to lack of evidence at the scene. See Inv. Supp for additional information.

VICTIM DESIRES PROSECUTION.

On 30 Aug 13 at approximately 1350 hrs., Dep. A.P. Ramaker /S-384 (R/D) was dispatched to Douglas County Corrections for an inmate-on-inmate assault report. On arrival, R/D met w/ Lt. Roccafort for preliminary information. Lt. Roccafort provided R/D with internal reports, data sheets and a video playback of the incident. R/D watched the video and read the reports. R/D observed an inmate in an orange top run toward the victim (Tanyunika CARTER, white top) and punch her. The known suspect then grabbed CARTER's hair. Corrections Officer, Boiss immediately grabbed the known suspect around the mid-section and tried to pull her away. The suspect held on to CARTER's hair and tried again to hit her (failed). The suspect was then pulled away and secured. The assault occurred at approximately 1030 hrs.

R/D interviewed CARTER at approximately 1348 hrs. Carter complained of a small cut on the right side of her nose, swelling, redness and pain under and above her right eye. CARTER's eyeglasses were also broken in the altercation. R/D observed all injuries stated above. R/D also observed the spot on CARTER's head where her hair had been pulled out. CSI Tech Adams /S-833 photographed all injuries. CARTER also complained of blurred vision. She is 8 weeks pregnant. CARTER had no signs of impact or trauma to either hand.

CARTER stated that while she was on the phone, the suspect picked up the phone (two phones down) on her left. The suspect asked, "Is your name Tanyunika?" Carter replied, "Yeah, my name's Tanyunika." The suspect said, "I heard you was talkin' shit about me." CARTER replied, "I don't even know you; who is you?" The suspect's reply is in the Supplemental report. The suspect was then removed from the phone bank by a Corrections Officer. It was shortly afterward that the suspect attacked CARTER.

R/D was provided a booking photo of the suspect (from the previous night). R/D compared the photo (front and profile) to the video and was able to corroborate the identity of the suspect. All

Supplementary Report for further details.
